**Gross Direct Premiums Written for Private P&C  
(Non-Life) Insurance, 2019, 2020, 2021 and 2022:  
Top 200 Insurer Groups Worldwide**

Insuramøre's analysis of gross direct premiums written (GDPW) for private P&C (non-life) insurance of insurer groups in 2022 – with comparative data also included for 2019, 2020 and 2021 – covers up to the top 200 groups worldwide by this measure. Together, these 200 groups accounted for an estimated 83.0% of total global GDPW for this line in 2022.

Private P&C insurance is defined as property and casualty (non-life) insurance acquired by private individuals comprising auto (motor) and home insurance plus other personal lines cover including (but not limited to) boat / yacht, extended service contract / warranty, legal protection, personal accident (but not health), pet, private cyber / liability, travel and unemployment insurance.

For insurer groups with financial year ends that occur in a month other than December, Insuramøre presents data that includes a part of 2023 (e.g. end of March 2023 for many Japan-based groups).

In 2022, the top 200 insurer groups by this measure segmented by type and by home region as shown in the charts overleaf.
