**Total gross life, health and P&C (non-life) insurance direct premiums written plus gross deposits / flows from annuities and retirement-related products and services, 2019, 2020, 2021, 2022 and 2023:  
Top 500 Insurer Groups Worldwide  
*plus the 678 Insurer Group Billionaires***

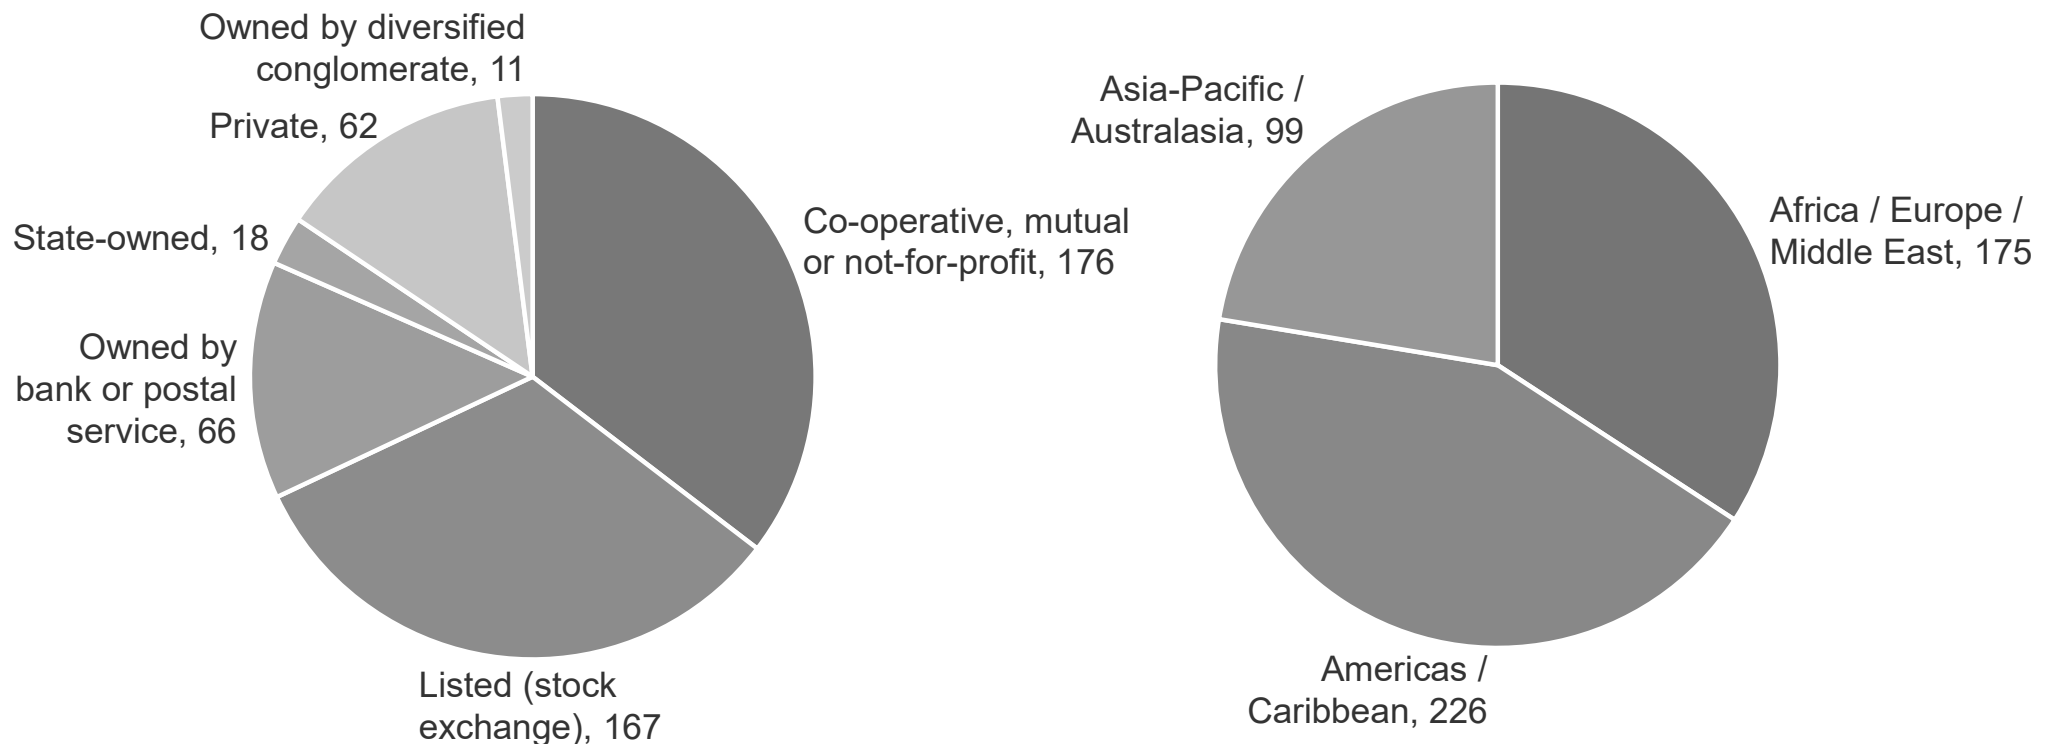

Insuramore's analysis of total gross life, health and P&C (non-life) insurance direct premiums written (plus gross considerations and deposits / flows from annuities and retirement-related products and services) of insurer groups in 2023 – with comparative data also included for 2019, 2020, 2021 and 2022 – covers up to all groups worldwide (numbering 678) with activity of over USD 1 billion by this measure. Together, the top 500 groups accounted for an estimated 88.5% of total global insurance revenues (i.e. premiums and deposits / flows) in 2023, and the top 678 (i.e. all of those with more than USD 1 billion in activity on this measure) for 91.2%. These can be considered as the top insurer groups worldwide by direct business (i.e. excluding reinsurance assumed).

For insurer groups with financial year ends that occur in a month other than December, Insuramore presents data that includes a part of 2024 (e.g. end of March 2024 for many Japan-based groups).

In 2023, the top 500 insurer groups by this measure segmented by type and by home region as shown in the charts overleaf with similar splits provided for the 678 insurer group billionaires on the final page.

*Source: Insuramore research and estimates based on insurer group disclosures and insurance trade statistics (i.e. financial supervisory authorities, insurance trade associations etc.)*
